Hey Reagan, Aren't the Snacks Great!
I wonder what the cost of living is here?...

The ACA Software Tong

I Think DDM stands For Dog DooDoo Machine
….and that's what DDM is!

He’s a Customer Engineer and I’m not!
I’m a Customer Engineer and you’re not!

Let's see…if I liquidate all of my assets, sell the house, move to Mexico… Hmm…..

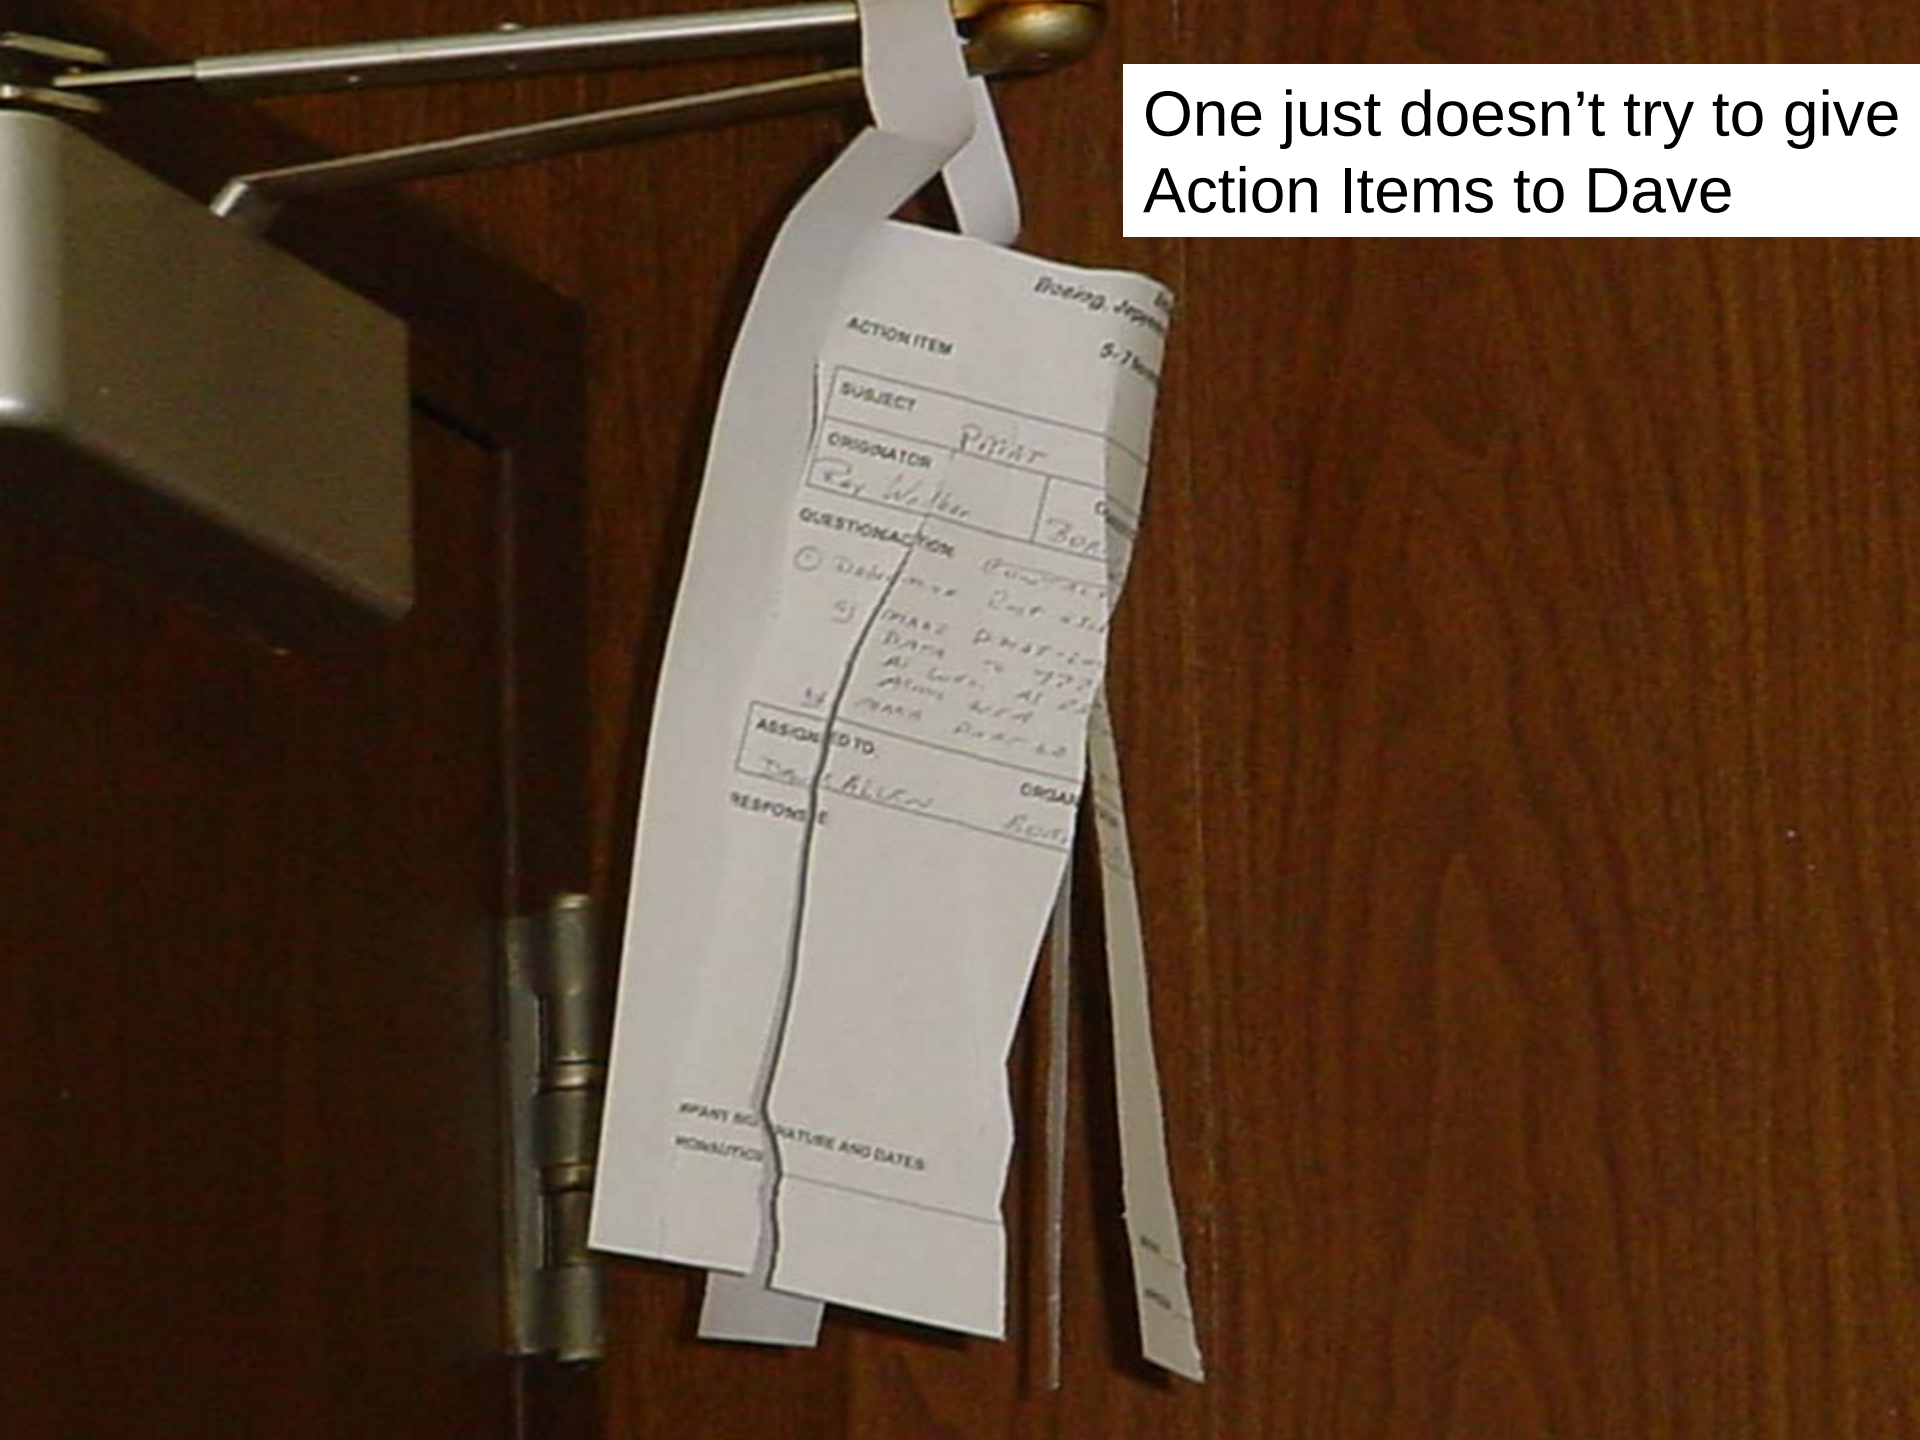
S/W PDR's are fun if you are a hardware guy!
One more Action Item and I'll go POSTAL !!
H/W guys are OK as long as they don't write code

….and then, and this is the really exciting part, we verify the third bit by masking it off and comparing it to the “golden word”, which I’ll go into right now…..
Black Queen on Red King
This is so Cool!
How come Mary looks so Interested



One just doesn't try to give Action Items to Dave

You should really install that Electronics Unit over here.
I’m just about ready to install that unit in the BBB. (Brit Biological Bay)

I didn't think anything would make software verification Look good!
Note the time.
How am I going to break it to Myers and Suzanna. I LOVE touchscreens…they'll be hurt but I have to be true to myself.
….and then we'll look at the luminosity of the "A" font, and then it get's REALLY exciting...

It’s 6:36pm, we were here till 9pm last night. I wish I could get this window open.
….if I get a fatal disease, I’ll ask to go to every S/W PDR. Three days here is like a life time any where else.

That’s not what
I heard DDM
Stands for...

Dear Bob,I've been thinking about that touch screen…
Can we go over that verification stuff again?
Psss. Bruce, If the State finds out the truth, can I work in Info Tech?
..and to think. I used to wonder why Dave owned guns.

I hope I don't get that grumpy when I grow up. We only drove around for a couple of hours looking for this place.
How could I get hooked up with an outfit that can't even find it's way to a bar!

Please let me die now!
After Amsterdam, Dave makes me drink water.
Damn right!

I'd better learn to pack it away if I'm going to be a Teacher
